Double row of Evergreen trees 10 apart for screening outside of the fence on the south side of the tower site, 2. Signage per the submitted site plan, 3. Must obtain a building permit and comply with any other permits, 4. Posting of a \$20,000 bond for removal in case of abandonment, based on the following findings: 1. That the conditional use permit will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purpose already permitted, nor substantially diminish and impair property values within the immediate vicinity; the evergreen trees for screening will take care of this., 2. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area; this is a permitted use with conditions., 3. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided; the site plan addresses that this is met. 4. That adequate measures have been taken or will be taken to prevent or control offensive odors, fumes, dust, noise, and vibration so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result; there are no lights to contend with, there will just be a light over the entrance to the shelter building. #5. The request of Marlin Mell and Leroy Mell to review an existing conditional use permit for the mining of peat dated May 14<sup>th</sup>, 2009 (legal desc: W 1/2 of the NW 1/4 of Sec 2, Twp 35, Rg 22, North Branch Twp) with the following conditions: the ditch plug must be removed by June 1<sup>st</sup>, 2011, the dike must be removed by July 1<sup>st</sup>, 2011, the final grading must be completed by September 1<sup>st</sup>, 2011 the final seeding must be completed by November 1<sup>st</sup>, 2011 and that Mr. Mell must secure a bond and posted by June 15<sup>th</sup>, 2011 in the amount of \$20,000 and that the Isanti County Zoning Office review the progress on this project to make sure that the final grading is getting done in August 2011 and to report back to the Planning Commission at the August 11<sup>th</sup>, 2011 Planning Commission meeting and if he misses a deadline he has to prove that there was a weather variable and that the conditions remain in effect from the May 14<sup>th</sup>, 2009 Planning Commission meeting which are as follows: follow the seeding and restoration plan, provide a copy of the court order showing the personal representative of the property, must obtain an approved wetland permit, the hours of operation will be 8:00 a.m. - 5:00 p.m. Monday through Saturday, the equipment to be used will be a scraper and a dozer that remains on the property, the spoils will be placed on site on the high land, based on the following findings: 1. That the conditional use permit will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purpose already permitted, nor substantially diminish and impair property values within the immediate vicinity; we are trying to fix this by requiring a timetable. 2. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area; we are trying to fix this by requiring a timetable. 3. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided; this is part of the conditions upon approval. 4. That adequate measures have been or will be taken to prevent or control offensive odors, fumes, dust, noise, and vibration so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result; this finding was covered by the conditions upon approval. Motion carried unanimously.
