# What is Child Care Resource and Referral?

**We are** a statewide network of agencies dedicated to assisting families, providers and the community with child care information and services.

**We are** a referral source for families. Our network of local agencies provides information and support to families in search of child care.

**We are** a resource for child care providers. We promote the professional growth and development of child care staff and providers with educational programs, grants, training, consultation and mentoring.

**We are** an advocate for high quality child care. We reach out to business and communities to generate awareness and support for high quality child care.

Your local Child Care Resource and Referral agency is a member of the Minnesota Child Care Resource and Referral Network.
