4. Cooperative Activities

- a. Include a narrative on the Off-Highway Vehicle Training and Education Projects/Efforts that your Agency accomplished or participated in during this fiscal year.

Our Office has a booth at the County Fair every year with information regarding OHV and snowmobile safety. We also have Deputies there to answer any questions and we get quite a few. During patrol our Deputies also educate the public as to rules and regulations.

- b. Include a narrative on your agency's participation in DNR Off-Highway Vehicle Enforcement activities during the past fiscal year. This includes participation in training classes, and collaboration with local Conservation Officers.

Our Deputies mainly patrolled the trails in the area making many contacts throughout the course of each six hour shift. We also provided patrol in areas where complaints about snowmobiles had been received. One such area was in the City of Cambridge. Deputies also patrolled area lakes and one lake had organized vintage snowmobile racing four times this season. Deputies were in the area during these events and it was appreciated by lake residents.

Isanti County received 10 complaints related to snowmobiles. Local Police Departments received a total of 19 complaints.
