**IV. Obstruction hearing for private crossing 22-002; Todd and Peggy Sager (Motion)**

- Willaert explained timeline of events for the Sager crossing. He suggested to the Isanti County Drainage Authority that they should view the material in the culvert as the obstruction and not the set culvert. He suggested the two following options for the Drainage Authority to consider:
  - o Option 1: Maintain clean culvert (Special clause will be void) with revised permit
  - o Option 2: Replace culvert to permit specifications (Special clause will be recognized)
- Todd and Peggy Sager choose to go with Option 1.

**MOTION CARRIED**

RESULT: Private Crossing (22-002), which serves as the driveway for Todd and Peggy Sager will need to be cleaned-out and continually maintained; additionally slopes need to be reestablished and stabilized by September 30, 2023, Special clause voided.
