## Donations

Isanti County Parks offers two programs for making donations in memory or in honor of someone special, or to enhance the park system for other reasons. They are the **“Tree Donation”** program, and the **“Gifts for Parks”** program. Both of these programs contribute to the enhancement of your park system, and help ensure that these park resources are preserved and enjoyed. Both of these programs are tax deductible too!

The **“Tree Donation”** program is an excellent way to honor someone close to you or to remember a special occasion such as the birth of a child, wedding, anniversary, or some special achievement. For a donation of \$200 or more, depending on the size of the tree selected, a donor may select a mature native tree, help select the planting site, and take part in the tree planting. An optional plaque may also be placed at the base of each tree for an additional \$75 fee.

The **“Gifts for Parks”** program assists in the development of quality facilities throughout the park system. You may direct your donation to be used to purchase land, purchase equipment at an Isanti County Park, or simply make a cash donation. A list of donation items, along with their cost, is printed following this page. All items have a 10 year maintenance and repair policy.

Donors will receive a letter stating the donation for tax purposes, and the donation will be documented in the "Park Donation" record book.

To make a donation through this program, please contact the Isanti County Parks Director's office at (763) 689-8220, email [barry.wendorf@co.isanti.mn.us](mailto:barry.wendorf@co.isanti.mn.us) or by mail at 555 18<sup>th</sup> Ave SW Cambridge, MN 55008.
