

ISANTI COUNTY SHERIFF - WATER PATROL

TEMPORARY STRUCTURE PERMIT REGULATIONS

FOR

PRIVATE SWIMMING AREAS

The owner or the lessee of shoreline property may mark off up to 2,500 square feet - but no more than 50 feet along the lake frontage - for a swimming area directly in front of his or her property. Markers to designate a private swimming area must be white with an orange diamond and cross on each side.

(Note the illustration below.) The markers must extend out of the water at least 6 inches, but not more than 14 inches and should be spaced not more than 15 feet apart.

A white plastic gallon bleach bottle with the orange markings shown below painted on each side fulfills the above requirements.

MARKERS MUST BE REMOVED BY NOVEMBER 1ST.
